TECHNICAL PROJECTS

Forge – AI-Powered Networking Platform (forgenetwork.app) **Remote**
Solo Developer – Founder Aug 2026 - Sep 2026

- Designed and shipped a full-stack, AI-powered personal networking platform independently using Anthropic's Claude Code
- Built AI features that rank a user's own contacts by relevance to a goal and draft personalized outreach
- Drove early adoption through organic content marketing and on-campus street interviews across NYC colleges, acquiring the platform's first users within its opening week

Signlr – AI-Powered Trading Signals Platform (signlr.app) **Remote**
Solo Developer – Founder *May* 2026 - Aug 2026

- Built and shipped a full-stack fintech SaaS product independently using Anthropic's Claude Code, handling all architecture
- Incorporated quantitative indicators derived from OpenYield and Alpaca's APIs to generate AI-assisted trade plans for traders
- Integrated market data to power a live stock screener and implemented subscription billing and user authentication

LEADERSHIP EXPERIENCE

Scholars of Finance, Baruch Chapter **New York, NY**
Member *Sep 2026 – Present*

- Completing an 8-week Leadership Development Program, meeting weekly to examine personal values, ethical decision making, and leadership in finance
- Attend weekly professional workshops covering technical finance topics, career readiness, and networking strategy

Virtual Enterprise International, Edward R. Murrow Chapter **Brooklyn, NY**
Chief Operating Officer *Sep 2025 – Jun 2026*

- Led 4 corporate departments and coordinated 15+ members in a student-run firm competing at the national level
- Managed $550K+ in virtual capital, overseeing budgeting, financial decisions, and performance tracking
- Streamlined internal workflows and cross-department communication to improve execution during competitions

Key Club International, Edward R. Murrow Chapter **Brooklyn, NY**
President/Volunteer *Sep 2022 – Jun 2026*

- Led and organized 8+ community service projects and club activities per month
- Managed and planned meeting agendas for 80+ participating members
- Oversaw club operations, including 3+ monthly executive board meetings and member outreach

PROFESSIONAL EXPERIENCE

Law Offices of Nataliya Borushchak, PC **Brooklyn, NY**
Legal Clerk *May 2026 – Present*

- File and organize both physical and digital case documents, including no-fault and trip-and-fall personal injury claims
- Gain hands-on exposure to the personal injury settlement process, from initial claim filing through settlement and resolution

BullTaxAccountants – Industry Scholar Program **Brooklyn, NY**
Marketing & Social Media Intern *Oct 2025 - Dec 2025*

- Conducted market research and created weekly social media content to strengthen firm visibility and audience engagement
- Managed 5+ posts per week across platforms, aligning content with firm messaging and seasonal tax campaigns
- Analyzed engagement trends and competitor strategies to refine posting approach and improve reach

The TJX Companies, Inc. **Brooklyn, NY**
Sales Associate *Jul 2025 – Nov 2025*

- Operated the POS system accurately for cash, credit, and return transactions in line with company policies
- Processed up to $5,000 in sales per shift, ensuring accuracy and efficiency at the register
- Balanced cash drawers and monitored discrepancies, contributing to loss prevention and financial accountability across the store
